

Submitting an Expression of Interest (EOI) for a Site Assessment is the first step to take if you are interested in participating in the BCT Fixed Rate Offer.

A site assessment involves your site being assessed for eligibility to participate in the program.

Eligible sites will be ranked having consideration of factors such as priority landscapes, conservation assets and size. Highest ranked sites will be contacted by the BCT to arrange a site visit. EOIs close on 29 June 2018.

The BCT reserves the right to close the EOI period early if it has a sufficient number of applications. EOIs made after the close of the EOI period will be entered into the BCT database and landholders will be notified of future BCT opportunities.

Complete the information requested as accurately as possible. Please contact the BCT for if you require assistance. For more information about the Fixed Rate Offer you can call 1300 **992 688** or visit the BCT website at [www.bct.nsw.gov.au](http://www.bct.nsw.gov.au).
