## BINALONG LANDCARE

# NATIVE PASTURE ALTERNATIVE FERTILISER TRIAL "KIA ORA", BOOKHAM SITE INSPECTION

**THURSDAY 18 OCTOBER 2012**

**10 am - 3 pm**

Binalong Landcare & NSW DPI Yass invite you to attend the Native Pasture Alternative Fertiliser Trial field day on Thursday 18 October 2012 commencing at 10am.

The Native Pasture Alternative Fertiliser Trial is a project to investigate a range of alternative fertiliser products for use on native perennial grass based pastures in the Yass district to increase soil fertility and pasture productivity. The field day will provide a summary of pasture and soil data collected over the past 3 years and will provide landholders the opportunity to observe visual differences between fertiliser treatments at "Kia-Ora", Bookham.

All interested landholders are most welcome to attend.
