

# CITY 2 COUNTRY EXCHANGE

## Be a part of modern sustainable farming solutions

Join us for a day where city and country people come together to discuss creating *biodiverse & productive landscapes and enterprises*.

### Meet the producers

Braidwood area producers will share farming inspirations, techniques and their produce on Saturday morning the 31<sup>st</sup> of October at 'Tombarra' on the banks of the Mongarlowe River. Discussions of challenges facing farmers who are striving for biodiverse & productive landscapes and enterprises include water security, invasive plant & animal species, the needs of biodiversity – how to best marry the modern & ancient farming methods that keep us all so interested.

### We want to hear from you!

Bring your ideas, your questions and your appetites to a day of discussing modern sustainable farming in our region.

### Taste and Talk Local Produce

A number of the region's local producers will be there to discuss their produce including beef, vegetables, wine, goat and pork, honey, Dojo Bread (including a bread making demonstration) berries and more. Produce will be available for purchase and a fully catered lunch will showcase our local food.

### Guest Speakers

Felicity Sturgiss (Biodiversity Program Landcare) Victoria Royds (local beef producer) Jess Abraham (Australian Conservation Foundation), Martin Royds (Jillamatong Beef, Landcare), Rob Gourlay (PHI'ON probiotics: Soil Health & Human Health), Colin McLean (Southern Harvests Association & Provisions Grocery & Deli) Rainer Rehwinkel (Ecologist & K2C) Peter Hazell (Mulloon Creek Natural Farms)
