FARMHOUSE WORKSHOP!

with

David Evans, Optimal Business Services (Sthn NSW) Pty Ltd
Danny Byrnes, & Di Pritchard, Rural Support Workers

Topics covered:

- Know and manage your farm household finances
- Develop a step by step budget for all family members
- Explore each area of family expenditure
- Assess the impact of changes in interest rate
- Link to farm business budgeting and performance
- Get the whole family financially ready for whatever the future may deliver

David will guide participants through the Farmhouse software and its application in a rural household. Household income from all sources, including the farm business, is considered when matching income to the budget.

The **Rural Support Workers** will lead discussion on meeting household needs and additional sources of income.

Childcare will be provided, courtesy of "Partners in Grain".
Even if you have not been for awhile we would love to catch up!
