

Aboriginal cultural heritage in NSW: A proposed new legal framework

Register now for information sessions and workshops

The NSW Government is reforming the way Aboriginal cultural heritage is conserved and managed in New South Wales and is seeking your feedback on the proposed new system. Information sessions will be held in 19 locations around New South Wales to help you learn about what is being proposed. These will be followed by workshops about one month later to discuss issues and provide feedback.

Location	Information session 9 am–1 pm	Workshop 9.30 am–2.30 pm	Venue
