

FREE workshop: The Practicalities of Pasture Cropping

All interested community members are invited to attend a free workshop being run through the Cross Property Planning project, looking at how to practically implement pasture cropping on your property.

The workshop will be conducted by **Colin Seis** - the co-inventor of the regenerative agriculture practice of pasture cropping, and follows on from the introduction to pasture cropping workshop which was held at the end of April 2014 in Humula.

Therefore, if you are interested in learning how to consistently increase your productivity and reduce your costs then this workshop will be of interest to you!

Date: Tuesday 15th July 2014
Time: 9 - 4 pm (9-2 Club, 2-4 'Humula Station')
Location: Humula Sports Club, Mate Street Humula
Cost: FREE!

RSVP: Please register for catering purposes by Thursday 10 July by phoning or emailing Jacinta on 0431 953 778 or jchristie@mli.org.au

It would be great to see you all there and please feel free to share this invitation with any neighbours or other friends who you think may be interested.
