

# COMMUNITY THINK TANK

## WHAT IS A COMMUNITY THINK TANK?

A community think tank is farmers talking to other farmers about shared issues and, through sharing ideas, developing solutions together.

Please come along to share your issues and ideas to help guide the future of community driven on-ground works in the Tarcutta Valley.

Topics are anticipated to broadly cover pest management, weed management, habitat conservation on farms and alternative land management options.....However, topics will ultimately be guided by the issues and interests of the participants.

## IS THERE FUNDING AVAILABLE?

Yes, including (but not limited to):

- MLi Pop-up Grant - up to \$2000
- LLS Farmer and farmer groups - up to \$20,000
- LLS Community Grants - up to \$20,000
- Landcare Seed Funding - up to \$4000

The intention is to use shared ideas generated at the community think tank to apply for funding for community driven on-ground works.

## SHARE YOUR IDEAS FOR ON- GROUND WORKS

**WEDNESDAY 3RD AUGUST 2016**  
6:00pm to 8:30pm
