Australia's women leaders*

The 2018 Australian Women's Leadership Symposium

CONNECTING, EMPOWERING AND CELEBRATING WOMEN LEADERS

The Australian Women's Leadership Symposiums are a national series of events focused on the experiences of women leaders in the contemporary workforce. Held annually, in every state and territory, the Symposiums have been running for over ten years and have become the most highly attended women's leadership events in the country.

Addressing a wide range of topics including gender equality, leadership, career advancement and life fulfilment, the Symposiums offer an important opportunity for Australian women to stay abreast of current local and international trends.

PLANNING FOR SUCCESS THROUGH SHARING SUCCESS

Drawing participants from every corner of the nation, the Symposiums offer an unrivalled opportunity for participants to extend their networks and develop lasting friendships and alliances.

Attended by a veritable who's who of Australian organisations, the Symposiums represent an accessible platform for businesses to remain connected to the gender equality debate and compare the latest thinking and strategy.

STEP BACK, REFLECT AND BE INSPIRED

Showcasing the country's most respected and celebrated female talent the Symposiums have become synonymous with excellence and achievement across all facets of business and community leadership.

Richly diverse in their achievements and fields of endeavour, Symposium speakers are universally recognised for their vision, resilience and capacity to influence change.

ATTENDANCE GRANTS FOR WOMEN IN THE FARMING AND AGRICULTURE INDUSTRY

Since its creation, a key element in the continued success of the Symposiums has been their broad appeal to women across all industries, sectors and occupations. In addition to the obvious benefits of cross industry collaboration, the diverse mix of attendees often contributes to some very interesting debate and a strong sense of collective empowerment. On many occasions we have received feedback indicating that attendees gain most from hearing the experiences, opinions and viewpoints of women outside of their industries, as these offer fresh insight and new perspectives.

Each year, to help support this diversity, Women & Leadership Australia (WLA) offers partial attendance grants to a limited number of attendees across a number of industries. In 2018 we will be offering 100 partial attendance grants to women working in the farming and agriculture industry. The attendance grants will be redeemable at each of the eight Symposium events and will be awarded on a first come first serve basis.
